ADULT PROGRAMS

Stowe Community Garden | Ages 18+ years old

After a long, cold and snowy winter, there's nothing better than getting your hands dirty in the garden! If you don't have the space to plant at home or you simply like to garden in the company of others, the Stowe Community Garden is a wonderful spot to grow summer vegetables and flowers on your very own 20ft x 25ft plot! Being a member of a community garden is a fun and rewarding experience, but it's also a big commitment. We expect all members to practice organic gardening and promote a positive and enriching environment. All dogs must be leashed at the community garden.

Thanks to the generous donation from High Mowing Organic Seeds, each gardener is welcome to stop by the Rec Center for free seed packets. (Number of seed packets per gardener may be limited.)
