

# LATE NIGHT HOCKEY LEAGUE at Stowe Arena

Mondays 9:15-10:45pm

Thursdays 8:30pm-10pm

\$215 per player

## 2019-2020 LATE NIGHT HOCKEY LEAGUE AT STOWE ARENA

Wish you could play on a hockey league, but have conflicts with kids, dinners and social events? The Stowe Arena is kicking off a Late Night Hockey League just for you! Players who have their registration form and payment submitted by October 18<sup>th</sup> will get first preference. After this we will go to the alternate list. Registration fee for full-time payers is \$215.

Not able to commit to the full season? Sign up to be added to our sub list! Captains will contact subs on the day of the game. Cost to sub is \$15/game.

The league will start on Thursday, October 24<sup>th</sup> and go until February 29<sup>th</sup>. There will be back to back playoff games on Thursday, February 27<sup>th</sup> to determine the 1st and 2nd place teams. Consolation and championship games will be held on Saturday, February 29<sup>th</sup> to determine the winner.

The Late Night Hockey League consists of four teams; ten skaters and one goalie per team.

Games will be Mondays 9:15-10:45pm and Thursdays 8:30-10pm. Each team will play one game per week.

This league is self-regulated, and there are no referees. Everyone needs to be respectful. No checking, and absolutely no fighting. Immediate expulsion from the game and perhaps the league will be the result of fighting. There will be 1.5 hour countdown on the clock, no periods, and no Zamboni. Teams are responsible for keeping their own score. Players will just add goals on the scoreboard as they happen.

Captains are responsible for putting together the teams for the weekend before the first games as well as finding subs during the season. Teams will not be allowed to sub for the playoff games. If anyone drops out during the season, a replacement player will need to be agreed op by all captains. We will be drafting teams at random, however, if you have any special requests about which team you are on, we will take that into consideration as best we can when building the teams.
