

## August Lunch Menu\*

**GREAT NEWS!! The USDA has announced that FREE meals are available to children 18 and under.**

Please take advantage of this opportunity – feel free to contact Jeff Brynn, LSUU Food Services Director, with any questions. (jeff.brynn@lsuu.org)

*The USDA is an equal opportunity provider.*

Educating students about the farm-to-school concept is an important element of learning at our schools – thanks in part to our amazing Farm-to-School Coordinator Molly Gellar. Our menus utilize many locally produced meats and vegetables – come check out our greenhouse located at Peoples Academy or our gardens at schools throughout the district.
