- 4 **LA motioned to approve the minutes FS second**
- 5 **Park Tour**
- 6 Matt introduced new recreation comm members Lyn and Julian and also Sarah McShane, Planning/zoning director who talked about the parks properties that are on conserved land and the relationships between parks, conservation commission and SLT and the process for recommending and reviewing any proposed changes to the properties.
- 7 Matt said he and Harry met with Black River Design regarding the Memorial Park Study and they will be presenting some conceptual layouts and discussion at the next Rec Com meeting on July 13th. Matt said that the intent is to include people involved in the current study for the schools as what they decide to do will impact and possibly rule out certain options for the Memorial Park project.
- 8 Visited Mayo Event Fields and Polo. Discussed need for fencing and gates to prevent vandalism and cars driving on fields. Intent to look into pricing and designs and review at future Rec Com and Conservation Comm meetings for future capital project. Discussed current use of fields for events and athletics. Mayo Farm easement review will start in 2026 and renew in 2028. Rec Comm wants to be involved to discuss needs for recreation going forward and exploring potential need for additional athletic fields and facilities.

6:58p Meeting adjourned.

Respectfully Submitted
